DPD-4293-59

23 June 1959

SUBJECT: Change of Service Designation - 1. It is requested that the service designation for Stectronies Engineer, be changed from "15" to "D". 2. At the time the action was submitted changing from OSI to D"D, the reassignment and change of service designation was requested. This was approved by OSI. However, through an error "D" section was advised by this effice that the change of service designation was to be deleted from the action. 3. We regret having made this error and now request favorable action be taken to change to the "D" career service. The reasons for this are: a. The position is designated as "D". b. qualifications and experience are definited suited to the "D" service. c. OSI not only approved the change in service designation to had made its plane based on the change being affected. Chief, reresummer section DPD-DD/?		POR : Clandesti 2121 "I"		reer Service, Panel /	
1. It is requested that the service designation for Electronies Engineer, be changed from "IS" to "D". 2.
